

## Garrettron's Village

Sporting unique block choices, read on to see what today's featured build has to offer.

### Opening Words

YouTuber for the GK server Garrettron graced us with his presence today as he came on for an interview for his village. Sporting a new never-seen-before village look and theme, it stands out amongst other builds.

Q: What's the name of the village?  
A: Hatron. Hafuka and Garrettron make Hatron.

Q: How long did it take to build the village?  
A: About 5-6 hours in total.

Q: Tell me about the contents of the village.  
A: Each house is built for a specific job. When I had /fly, I had more access to the buildings. Like ones for mining and ones for farming. Like a giant house.

Q: Tell me about the house roles.  
A: One's for farming, one's for mining.

Q: Tell me about the house in between the hills  
A: It serves as a storage area, and a elevator from the bottom to top floor.

Q: Tell me about the houses in the village.  
A: Some houses are nether-themed, while some are prismarine-themed. For a nice contrast and uniqueness against other villages.

Q: What materials did you use?  
A: Lots of fences, nether brick, prismarine, terracotta, spruce, birch and glass.

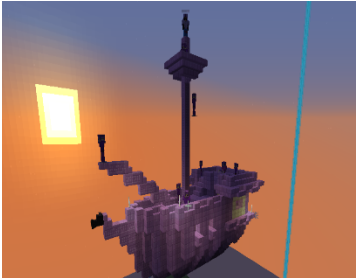

Q: Are the hills in the village natural?  
A: Yes, they are. I just added a house in between them.

Q: What tips do you have for newbie builders?  
A: Just build whatever you want, big or small. If you enjoy it, go for it.

## IcedDrink's Lost Endship

Writte

Left: Lost Endship  
Bottom: Elevator building

Q: What's the ship called?  
A: The Lost Endship.

Q: How long did it take for you to finish building this?  
A: 1 hour.

Q: Tell me about the contents of the ship.  
A: It's the same as an endship, even the potions are the same.

Q: Rooms?  
A: No rooms, except for the main room if you count that.

Q: What tips do you have for newbie builders?  
A: Pay attention to every detail.

Q: Any co-builders?  
A: Nope. Me, myself and I.
